Additional information

Check-in & Check-out alternatives

We understand that everyone will arrive and depart at different times. For those arriving later than 10 pm, we will need you to self-identify (if you haven't) as the VP residence office will have a list and will set up a self-check-in, we will contact you directly with instructions.

For those leaving earlier than 7 am, or that are unable to find a volunteer/staff member at your departure, we have a self-check-out process. Please use the envelope provided to deposit your card at the designated box upon your departure.

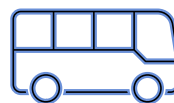

Volunteers & Staff

We are running this event with the help of volunteers and staff. While we can't provide 24 hours service or extended hours, we are doing our best to host you. We want to encourage courteous and kind interactions with each other and understanding when limitations or inconveniences may arise. That being said, our volunteers and staff will to their utmost to ensure your comfort.

Bus shuttle to TCU

For transport ease and comfort, we have set up a bus system to take you to and from TCU Place, the venue for this year's event. Each day, there will be volunteers ensuring attendees are getting to the bus, however it is the responsibility of each guest to arrive at the correct departure time. Buses are scheduled to depart each morning at 7:35 am sharp. If the bus is missed, it will be the responsibility of the guest to make alternate transportation arrangements.
